A vibrant, low-angle photograph capturing a moment of celebration. In the foreground, a woman on the left and a man on the right are looking upwards with joyful expressions. The woman has her mouth open in a wide smile, and the man has a slight smile. They are holding glasses, and the air is filled with falling gold confetti. The background is dark, making the golden streamers and the people's faces stand out. Several light blue asterisk-like symbols are scattered throughout the image, adding to the festive atmosphere.
